

# OFFICER JAYME BIENDL MEMORIAL COIN

**Proceeds will offset funeral expenses and go to Officer Biendl's family**

The officers, staff, and members of Teamsters Local 117 are stricken by the tragic murder of Washington State Correctional Officer Jayme Biendl, who paid the ultimate sacrifice in the chapel of Monroe Correctional Complex on January 29, 2011. Officer Biendl was an exceptional professional and an Officer of the Year, who died needlessly in the line of duty.

In honor of our fallen Sister, members of Teamsters Local 117 created the **Officer Jayme Biendl Memorial Coin**. The cost per coin is \$20. Proceeds from the coin donations will go directly to the **Jayme Biendl Benevolent Fund**, which was established by Teamsters Local 117 to offset funeral expenses with all remaining funds going to Officer Biendl's family.

To order the **Officer Jayme Biendl Memorial Coin**, complete the order form below. To aid with large departmental orders and minimize the cost of shipping, include the separate departmental sign up sheet. Please allow 4-6 weeks for delivery.
